**Draft Programme**

FACCE-JPI: harnessing joint programming  
to support transformation of Food Systems

09:30–13:30 CEST

Central European Summer Time

09:15 – 09:30 Videoconference dial in:

**SESSION 1: What changes to agricultural production are required for transformation of Food**

**Systems?** Co-Chairs: Frank Ewert (member of the Scientific Committee of the UNFSS and the FACCE-JPI Scientific Advisory Board) and Jean-François Soussana (member of the Scientific Committee of the UNFSS and the FACCE-JPI Governing Board)

09:30 – 09:40 *Welcome*

09:40 – 09:55 Joachim von Braun, Chair of the Scientific Group of the UNFSS  
*Expectations of the Scientific Group for the Summit*

09:55 – 10:10 Kerstin Rosenow, Head of Unit Research and Innovation DG Agriculture, EU  
Commission  
*The view from the EU Commission on the transformation of Food Systems*

10:10 – 10:20 **BREAK**

**SESSION 2: FACCE-JPI's approach to transformation of Food Systems – joint programming and a focus on agricultural production and food security in the context of climate change** Co-chairs: Jean-François Soussana and Gudrun Langthaler

10:20 – 10:35 Gudrun Langthaler, Chair of FACCE-JPI Governing Board and Jean-François Soussana  
*FACCE-JPI's approach to transforming Food Systems*

10:35 – 10:50 Frank O'Mara, Director of Research at Teagasc, Ireland  
*FACCE ERA-GAS: the ERA-NET cofund for monitoring & mitigation of greenhouse gases from agri- and silvi-culture*

10:50 – 11:05 Maurice Héral, Head of Department of Environment and Biological Resources, ANR, France  
*FOSC: the ERA-NET on Food Systems and Climate*

11:05 – 11:20 Pete Smith, Chair in Plant & Soil Science, University of Aberdeen, UK  
*The DEVIL project: Feedback Loop Interactions Between Land Use Change and Food Security Dynamics*

11:20 – 11:35 Katharina Helming, Head of the Sustainability Impact Assessment research group, Leibniz Centre for Agricultural Landscape Research, Germany  
*The MACSUR Science-Policy Knowledge Forum: bringing together science and policy actors for the strategic design of climate change adaptation and mitigation measures*

11:35 – 11:50 *BREAK*

**SESSION 3: How can FACCE-JPI contribute to the goals of the UNFSS?** Chair: Gianluca Brunori, Chair of FACCE-JPI Scientific Advisory Board

11:50 – 12:05 Frank Ewert, FACCE-JPI Scientific Advisory Board

*Presentation of FACCE-JPI's Strategic Research Agenda 2020*

12:05 – 12:45 Discussions in two moderated breakout groups

*How can FACCE-JPI help make Food Systems more sustainable and promote food security?*

12:45 – 13:05 Reporting back from breakout groups

13:05 – 13:20 Jessica Fanzo, Bloomberg Distinguished Professor of Global Food & Agricultural Policy and Ethics, Johns Hopkins University, US

*Response to breakout group reports and insights into strategies for transformation of Food Systems*

13:20 – 13:30 Gianluca Brunori, Chair of FACCE-JPI Scientific Advisory Board

*Summing up of main conclusions from breakout groups and workshop*
